Bloom Essentials

Let us make it easy for you by bringing our signature floral package to life for your wedding day.

With all the essentials included and featuring the best blooms available for the season this package is perfect for those who want a simplistic approach to booking their wedding blooms. No need for a formal consultation, just a few quick questions about your personal aesthetic taste and select a colour palette - leave the rest to us!

Each element of the package will complement your colour scheme and cohesively flow from Ceremony to Reception in our signature style - Dreamy, Botanical & Romantic.

This package is suited for intimate weddings.

"The Bloom Essentials package was perfect for us! We knew we wanted flowers at our wedding but didn't want to go over the top (and I honestly had no idea about what flowers to have). The Bloom Folk did an amazing job and we were so happy."
- Scott & Lucy Webster
